

# MMBIO TA APPLICATION INFORMATION

## EXPECTATIONS & COMPENSATION

- Teaching Assistants are expected to work an average of 10 – 12 hours per week during the semester. Please plan accordingly and review the Student Employment policies:  
<https://hrs.byu.edu/student-employees>
- The starting wage for undergraduate TAs is \$11/hour and graduate TAs is \$15/hour with an automatic \$0.25 increase every semester/term afterward working as an MMBio TA

## APPLICATION REQUIREMENTS

- Attach a copy of your academic progress report (unofficial transcript) with the application. Your application will be considered incomplete without this
- Applications are due to the MMBio Department Office in 4007 LSB or via email to [mmbiodept@byu.edu](mailto:mmbiodept@byu.edu). Handwritten and incomplete applications will **not** be accepted
- This informational sheet does not need to be included in your submitted application

## HIRING INVITATION

- If a professor wishes to hire you as their TA, they will contact you directly (typically via email) to offer you the position. If you accept, the professor will notify the MMBio Department Office, who will then process your hiring information. You will not be allowed to begin working as an MMBio TA until you have received a final “approved to work” email from the MMBio Department Office
- We encourage prospective TAs to consult with professors directly to arrange for TA positions without using this application. This may increase your chances of getting the position you want

# MMBIO TEACHING ASSISTANTSHIP APPLICATION

## GENERAL INFORMATION

_____	_____		
Name (Last, First, Middle)	Net ID		
_____	_____	_____	_____
Current Address	City	State	Zip
_____			
Email Address			
_____			
_____	_____		
Cell Phone	Expected graduation date		
_____			
Major(s)	Minor(s)		

## PREFERENCES
